Welcome back to Term 3 and to our two new staff members, Mrs Trigg on Yr 5/6 and Miss Rawlins on Yr 3/4. The classes have settled and are working well.

Next week is Education Week where we celebrate 60 years of Education Week. The theme is the same as it was 60 years ago, ‘Lighting the way to a better world’. Our school will celebrate by holding ‘Education Day’ on Wednesday 30th July where we will have class visits from 12pm for half an hour followed by our formal assembly where awards will be presented. Then parents/friends/grandparents will stay for a picnic lunch until 2:00pm. We look forward to sharing our day with you. Cessnock High will host the Education Week awards afternoon at 4pm. We hope to see you there.

Our Canberra excursion is fast approaching and final payments will need to be addressed. A note went home with students in Yr 5/6 yesterday to help us to find a male adult whose child / grandchild is in Yr 5/6, to accompany us on this excursion.

Mr David Robson (Relieving Director) will speak to KPS on Friday 1st August at 9:30 am in the Library to discuss new plans by the DEC to reclassify the Principal position in small schools. Parents are invited to come along to hear about the new proposal.

Also on Friday 1st August is the Zone Athletics Carnival. Notes were sent out last term and should have been returned to Miss Rawlins who will be accompanying our students. Good luck to those students.

Zone Public Speaking Finals will be held at Nulkaba PS on Monday 4th August for Kinder and Yr 5/6 students and Tuesday 5th August for Yr 1,2,3 and 4 students. Times will be sent home next week.

Make Online Payments

It is now possible for parents to make online payments to the school for amounts owing for students, via a secure payment page hosted by Westpac. Payments can be made using either a Visa or MasterCard credit or debit card. The payment page is accessed from the front page of the schools website by selecting $ Make a payment. Items that can be paid include voluntary school contributions, excursions and sales to students (hats). There is also a category called Other this is to cover items not covered in the previous headings, Other can be used to make a complete payment of a school invoice.

When you access the $ Make a payment you must enter: the students name, and class and reference number OR the students name, and date of birth. These details are entered each time you make a payment as student information is not held within the payment system. There is also the option to enter the Student Registration Number and Invoice number if you are aware of them, these are optional fields.

This is a secure payment system hosted by Westpac to ensure that your credit/debit card details are captured in a secure manner, these details are not passed back to the school. You have the ability to check and change any details of the payment before the payment is processed. Receipts can be emailed and/or printed. Details of the payments are passed daily to the school where they will be receipted against your child’s account. As a receipt has been issued from the payment page a further receipt will not be issued by the school.

For any enquiries regarding the Online Payment process please contact Lesa or Kathryn at the office.

In Season Now - Mandarins
Our name reflects our colourful and interesting past! We belong to the citrus family and grew in China a very long time ago. We were so highly regarded that we were named after the officials of the Imperial Court, the mandarins - that’s how we got our first name. These days, we’re the ultimate convenience food, great for Crunch&Spit®. We’re easier to peel than oranges and our segments separate easily. Just spit the pits out or remove before eating. Unlike other citrus fruit, which can be harvested all year round, we’re only harvested in late autumn and winter. We’re picked carefully by hand when we’re ripe as we’re difficult to harvest without our skins being bruised or damaged. Select those of us which are glossy and heavy for our size - this indicates good juice content.
Fundamental movement skills
There is evidence that children with poor fundamental movement skills such as jumping, skipping, leaping, kicking, throwing and catching are less likely to be active. Give your kids a head start and teach them these skills.
